

3x3 basketball has now been recognised as an Olympic sport by the International Olympic Committee and will be included in the 2020 Tokyo Olympics.

Basketball ACT will be conducting its 3x3 Championships over the coming months for U18's and Senior men's and women's. The winning teams from the Championship finals will be nominated to compete in the Basketball Australia National Championships to be held in April 2018.

This is a great opportunity for all our participants to showcase their talent in this shorter, faster and more dynamic version of the sport. BACT will host 3 tournaments for each age group; the top 4 teams from each of the first two qualifying tournaments will gain automatic selection into the 'Finals' and the winning team from the 'Finals' tournament will be nominated as the BACT 3x3 State Champions. The tournament framework is as follows –

Each team can participate in both qualifying tournaments as this will increase the chance of automatic selection for the Finals tournament.

The dates for the Tournaments are as follows –

Round 1 – Friday 24/11/2017; Venue – Belconnen Basketball Stadium Outdoor Courts; Entry Fee - \$80 per team; Start Time – 4:00pm
