

## Coaches Wanted

If you are interested in basketball, want to gain experience and love coaching young players; then this is your chance to become involved in one of the premier clubs in Canberra!

We currently have openings for coaches for the upcoming winter basketball season (April – September 2018). All training and assistance will be provided for coaching.

This is a great opportunity to meet new people, support junior sporting development and the perfect way to foster lifelong contacts and friends.

Please contact Clare Gallon at [northsheadcoach@gmail.com](mailto:northsheadcoach@gmail.com) or 0420 395 919 for further information and to register your interest.

Yours in basketball,  
Clare Gallon
